PREFACE

Islampur College came into existence on 4th December, 1973 in a backward region with the assistance of local people interested in education to provide opportunity of higher education to the students mostly belonging to scheduled caste, scheduled tribe and minority communities. At the initial stage the college had only Arts Stream but gradually Commerce and Science Department were introduced. At present our institution has Honours courses in seven Arts subjects in addition with accountancy Honours in commerce and mathematics Honours in Science. We have Indira Gandhi National Open University (IGNOU) study centre to provide education to those students who are deprived of formal education. Students of our college also take part in social activities through different programmes organised by our NCC and NSS units.

We hope to improve the quality of performance of the institution through our coordinated effort following the steps and measures prescribed by the NAAC through the process of accreditation. We are looking forward to the visit of NAAC peer team which we believe would be a great opportunity to usher all-round development of institution. We therefore cordially invite the peer team to visit our institution.

Islampur College

EXECUTIVE SUMMARY

Islampur College lying in Islampur Sub-Division within the district of Uttar Dinajpur in West Bengal started treading in the educational arena as a premier institute of higher studies in the year 1973. It started as a General College of Under Graduate Studies providing only general courses, but later on it gathered momentum providing honours studies in different subjects. In the beginning the classes were held at Islampur High School. It is going to introduce even post graduate studies in Urdu from next academic session. It happens to be a matter of pride that the university to which the college is affiliated, University of North Bengal and the other nearer university, University of Gour Banga have not yet introduced the prosecution of Post Graduate studies in Urdu. In that respect it may be held that Islampur College happens to be the vanguard showing new light of higher studies to the students especially of Muslim minority community who were hitherto deprived of the opportunity for furtherance of their studies after doing undergraduate studies. Islampur is one of the backward sub-division of the state where educational facilities are sparsely provided. This is an area mostly populated by the minorities, scheduled caste, scheduled tribe and other backward communities. It is the only college in the locality where the students come from the outskirts of Siliguri about 70 km in the North, from the outskirts of Dalkhola about 70 km in the south and also from Kishanganj District in Bihar. The college was first started by some conscious people receiving donation from some patrons of learning and it was founded on green lush provided by the Local Zamindar, a successor of that family, Choudhury Muhammad Abdul Karim happens to be a Minister in the Government of West Bengal. Fortunately, he also happens to be the President of the Governing Body of Islampur College.

CRITERION I

CURRICULAR ASPECTS

Islampur College, emerging out of the passionate urge of the people mostly belonging to the agrarian communities having little opportunities for imbibing knowledge, provides three year degree course in Arts, Science and Commerce with honours course in different subjects. It has introduced vernacular studies in Bengali, Hindi and Urdu keeping in mind the necessities of the students of this region. Islampur College has opened the opportunities for the students of the locality having no access to regular education, to non-formal distance education by way of introducing IGNOU study centre diffusing learning in Under Graduate and Post Graduate courses in different subjects. The College has ushered in a new era by introducing Post Graduate studies in Urdu to provide higher studies especially for Muslim minority community who are mostly poor with hardly any economic ability to carry on higher studies in Urdu far away from their hearth and homes. The institution takes special care to disseminate knowledge among the students of the region to elevate their intellect, morale and spiritual fervour so that they can stand in their own feet to face the challenges of time. The college takes special care to produce human resources with the passage of time to cater to the societal need. The institution has already trod over vicissitudes and now blossomed into a complete institution with amenities of studies in different subjects. The college has never pushed background the necessities of the locality. The Library of the college is in the moderate condition with books and journals at par with the necessity though there are avenues for further development. The science section is also well furnished with laboratories for the science students aspiring B.Sc degree. Ours is a college imparting honours study in mathematics in the science stream. We are keenly interested to introduce honours studies in Chemistry and Physics soon without giving short shrift to the Biological Sciences. The students have the facilities for indoor and outdoor games. It has both Girls' common room and Boys' common room attached to the main building. The institution has provided facilities of drinking water, generator, inverters, computer network etc. The students are getting admission according to merit and norms laid down by the University from time to time. The teachers and the non-teaching staff are mostly dedicated to elevate the academic status of the institution so that the institution can have a place in the horizon of knowledge. The college affiliated to the University of North Bengal which takes examinations like Part –I, Part – II and Part – III at the end of the academic year to qualify a student for Bachelor degree. The subjects like

Bengali, Hindi, Urdu, English, History, Economics, Philosophy, Political Science, Geography, Commerce, Physics, Chemistry and Mathematics are taught in Under Graduate level along with the introduction of Post-Graduate Course in Urdu in the coming session.

CRITERION II

TEACHING – LEARNING AND EVALUATION

The students are admitted here according to merit and norms laid down by the Government of West Bengal and the University of North Bengal to which it is affiliated. The University takes examination at the end of every academic year for promotion of students from Part – I to Part – II class, from Part – II to Part III class and from Part – III to the obtaining of Bachelor Degree. Regular test examination is held every year for allowing students to sit for the final examination. The students of the backward communities are taken special care for their uplift with the help of extra classes and by providing quality notes to the promising students. Most of the teachers are NET/SET qualified and some of them have Ph. D degree to their credit. They are recommended by the WBCSC and appointed by the Governing Body of the college. The teachers are advised to follow the syllabus framed by the University with corrections and modifications from time to time. The teachers take proper preparation by collecting resources from different documents. Part-time Teachers are appointed by the Governing Body of the college and approval of appointments of Part-time Teachers has been given by the Government of West Bengal. Guest Lecturers are appointed by the college authority from time to time to grapple with educational needs of the inflated pressure of students which we cannot help accepting because of the absence of college in the vast area surrounding Islampur. It is to be further noted that appointments of Guest Lecturers in different subjects is under process. The teaching ability of the teachers are appraised through self-assessment and they are refreshed by orientation programmes, refresher courses, seminars, workshops etc. organised by the Universities and the colleges.

CRITERION III

RESEARCH, CONSULTANCY AND EXTENSION

The teachers of the college are mostly engaged in research works. Some teachers have already obtained Ph. D. degree and the Ph. D works of some of the teachers are still underway. The governing body of the college often sanctions study leave for doing research work leading to the Ph. D. degree. The college authority has already introduced a research journal on science with ISSN number and an Assistant Professor in Bengali has started publishing a journal on his own auspices entitled 'SHRUTI' with ISSN number for flourishing creative genius in the humanities section. The teachers of this college are mostly engaged in research works, the outcome of which is the publication of articles in different national and international journals of repute. The NSS and NCC activities are often organised and given enormous importance to generate a sense of social responsibility and awareness among students. The students are inspired by the college to participate in extra-curricular activities. At present the college has two NSS units and one NCC unit. Recently the NSS units of our college have launched a splendid programme on Adult Education. They have also taken steps to create awareness about the prevention of AIDS, different health and hygiene programmes along with maintenance of campus clean and tidy. A legal awareness programme was organised by the college. The students of science stream are encouraged to participate in the Student-Youth Science Fair organised every year by state government, which has given fruitful results at the district and state levels.

CRITERION IV

INFRASTRUCTURE AND LEARNING RESOURCES

The college has an expanded area of 10 (ten) acres of land with a built up area of 5,242 sq. m. It has a playground, classrooms, administrative block, laboratories, hostels for boys and minority girls, moderately equipped library, reading room with modern amenities, boys' common room, girls' common room, canteen etc. The playground of the college has opened avenues for playing cricket, football, volleyball, kabaddi etc. The college has within its campus cycle motorbike stand. The facilities are there but are not at par with the necessities of thriving students. Separate arrangements are made for indoor

games like carom and chess. We have an Auditorium to provide opportunities for different cultural programmes in auspicious occasions. We have a plan to develop full-fledged Computer Laboratory with internet facility to impart maximum scope to the students and staff.

CRITERION V

STUDENT SUPPORT AND PROGRESSION

With a view upholding the quality of the students the authority of the college has taken steps to provide students support services. Free studentship is given to some students who belong to the poor families. The area is densely populated by people indulging in pastoral economy. It depends upon the environment of the region. Scanty rainfall happens to be a problem faced by the agrarian communities which supply most of the students. The students of the SC/ST communities are provided with scholarship as per government rule. The Government of West Bengal has initiated several schemes for the welfare of the Muslim minority community students and most of the students of the college are the beneficiaries of those schemes as the area is mostly populated by the people of minority communities. The college helps students to open zero balance account in the Bank where the scholarship is credited. The government of West Bengal initiates schemes for upholding the financial ability of the girl's students belonging to financial backward class. Cultural functions are organised by the Students' Union for entertainment so that the common students may come out of the grip of dullness and monotony in life and devote themselves to study.

CRITERION VI

GOVERNANCE, LEADERSHIP AND MANAGEMENT

The institution is normally directed and administered by the Governing Body. The Principal of the college is held to be the Secretary of the Governing Body which happens to be the apex body for the management of the institution. The Governing Body is constituted by the Statute of the University of North Bengal in concurrence with the rules and regulations laid down by the Government of West Bengal. The Governing Body is composed of four

elected members from the Teaching Community (Permanent Staff), two elected members from the Non-Teaching Community (Permanent Staff), two members nominated by the University of North Bengal and two members nominated by the Government of West Bengal and General Secretary of the Students' Union with Principal as the Secretary of the Governing Body. The members of the Governing Body elect the President in its first meeting. It is the highest policy making body. Various sub-committees are formed at the suggestion of the Governing Body like Finance sub-committee, Academic sub-committee, Building sub-committee, etc. for the smooth conduct of the affairs of the college. There is a Teachers' council with an elected secretary from the teachers to look after mainly the interest of the teachers along with academic matters with a keen attention to elevate the status of the institution. There is also a committee of the non-teaching staff looking after the interest of them without neglecting the interest of the institution.

CRITERION VII

INNOVATIONS AND BEST PRACTICES

There is no time limit for acquiring knowledge. Life of everybody cannot be full of bed of roses. Everybody is not provided with opportunities or access to education at the right moment. It does not mean that those unfortunate fellow should not have the opportunity to access to the best of knowledge. Time should not act as impediment in the way of their accumulating knowledge. They do have the right to be effulgent with happenings around them. Islampur College has got millenarian success in respect of diffusion of knowledge among those unfortunate people who are debarred from the precious knowledge at a time which is held to be the seed time of our life. As a result of that they are to become objects of negligence, oppression, cheating and many other malaises. The NSS units have recently taken measures to eradicate the malaise at least from this locality. They have also taken steps to eradicate fears from the mind of the people which emerge out of illiteracy. People used to think that a dreadful disease like AIDS caused by any kind of contagion. The traditional belief about the spread of disease like AIDS has given birth in them a sort of fear psychosis. The NSS units, with a mission to weed out the fear from the mind of the people have taken steps which are commendable and it is certain to bring fruits in the near future

CRITERIA-WISE INPUTS

CRITERION I: CURRICULAR ASPECTS.

1.1 Curriculum Planning and Implementation

1.1.1 State the vision, mission and objectives of the institution and describe how they are communicated to the students, teachers, staff and other stakeholders.

Vision-

To enable the college to function as a torch bearer among the Poor and Under Privileged masses by providing quality higher education and leadership quality.

Mission-

- ❄ To create dedicated brave soldiers for nation building.
- ❄ To alleviate backward region status of the Islampur Sub-Division.
- ❄ To build quality infrastructure of the college to cope with increasing rush of the students.
- ❄ To start job oriented courses considering the demand of job markets.
- ❄ Considering the demographic diversity of the region to work for harmony among communities.
- ❄ To generate resources by utilizing movable and immovable college property.

Keeping these missions in consideration the college is going to introduce Master degree course in Urdu. The institution has already approached different agencies for allocation of funds for construction of building and introduction of different job oriented courses. A special study centre of Indira Gandhi National Open University (IGNOU) is running successfully and meeting the demands of the students not only coming from Islampur sub-division but also from neighbouring Kishanganj district, Bihar too.

1.1.2 How does the institution develop and deploy action plans for effective implementation of the curriculum? Give details of the process and substantiate through specific example(s)

Teachers' Council meets at regular interval to discuss the matter and refers to the governing body of the college for thread bare discussion for the effective implementation of the concerned matter.

1.1.3 What type of support (procedural and practical do the teachers receive from the university and/or institution) for effectively translating the curriculum and improving teaching practices?

For improving teaching practices, the college authority encourages the teaching staff for attending orientation programmes and refresher courses from time to time. At present we have made it mandatory for participating teachers to deliver talks in the college to enlighten teachers and students about the advanced teaching practices in different higher education institutions.

1.1.4 Specify the initiatives taken up or contribution made by the institution for effective curriculum delivery and transaction on the curriculum provided by the affiliating University or other statutory agency.

The College has not taken any initiative in this regard.

1.1.5 How does the institution network and interact with beneficiaries such as industry, research bodies and the University in effective operationalisation of the curriculum?

The college is very much sincere and serious in the matter of effective operationalisation of curriculum.

1.1.6 What are the contributions of the institution and/or its staff members to the development of the curriculum by the University? (Number of staff members/departments represented on the Board of Studies, student feedback, teacher feedback, stake holder feedback provided, specific suggestions etc.

There are many teachers of the institution who are the members of 'Board of Under Graduate Studies' who actively participate in the process of framing and modification of curriculum to make the same up-to-date to cope with global and national issues and challenges. At present the institution has at least three teaching members in the Board of Under Graduate Studies in three different subjects.

1.1.7 Does the Institution develop curriculum for any of the courses offered (other than those under the purview of the affiliating, University) by it? If ‘yes’, give details on the process(Needs Assessment, design, development and planning) and the courses for which the curriculum has been developed.

The institution has no such authority.

1.1.8 How does institution analyze/ensure that the stated objectives of curriculum are achieved in the course of implementation?

If the situation demands the Teachers’ Council might discuss it in its meeting convened by the President of the Teachers’ Council.

1.2 Academic Flexibility

1.2.1 Specify the goals and objectives give details of the certificate/diploma/skill development courses etc. offered by the institution.

No such courses are offered by the institution.

1.2.2 Does the institution offer programmes that facilitate twinning/dual degree? If ‘Yes’, give details.

No such programme is offered to the students by the institution.

The institution does not offer such programmes to the students.

1.2.3 Give details on the various institutional provisions with reference to academic flexibility and how it has been helpful to students in terms of skills development, academic mobility, progression to higher studies and improved potential for employability.

As such the institution does not provide any academic flexibility. But Indira Gandhi National Open University offers some courses which are helpful for skill development, academic mobility etc.

1.2.4 Does the Institution offer self-financed programmes? If ‘yes’, list them and indicate how differ from other programmes, with reference to admission curriculum, fee structure, teacher qualification, salary etc.

The college has only 1(one) self-financed programme viz. under graduate course in Geography. Admission is taken only on the basis of merit in this course. Teachers are recruited according to the University rules and regulations and salary is paid on number of lecture basis by the college authority.

1.2.5 Does the college provide additional skill oriented programmes, relevant to regional and global employment markets? If ‘yes’ provide details of such programmes and the beneficiaries.

The institution does not provide any such programme.

1.2.6 Does the university provide for the flexibility of combining the conventional face to face and Distance Mode of Education for students to choose the courses/combination of their choice? If yes, how does the institution take advantage of such provision for the benefit of students?

The University of North Bengal provides distance mode of education in the Post Graduate Level through different constituent colleges. The college has a facilitation centre of that course.

1.3 Curriculum Enrichment

1.3.1 Describe the efforts made by the institution to supplement the University’s Curriculum to ensure that the academic programmes and Institution’s goals and objectives are integrated?

Considering the presence of large number of students from Muslim minority communities in this region, Urdu is a very relevant and demanding language. The instance of introduction of master degree in Urdu in this college in the next session is a case of integrated objective.

1.3.2 What are the efforts made by the Institution to enrich and organize the curriculum to enhance the experiences of the students so as to cope with the needs of the dynamic employment market?

As stated earlier the college has 3(three) members in the Board of Under Graduate Studies’ who participate in the process of modification, enrichment and organisation of curriculum in the direction of catering the needs of dynamic employment market.

1.3.3 Enumerate the efforts made by the institution to integrate the cross cutting issues such as Gender, climate Change, Environmental education, Human rights, ICT etc, into the curriculum?

The issue of gender discrimination, environmental education, human rights etc. are included in the under graduate curriculum of different subjects like Philosophy, Political science and Environmental studies which are taught in this institution.

1.3.4 What are the various value added courses/enrichment programmes offered to ensure holistic development of students?

As such there are no separate courses on the issues of holistic development of students. Different subjects which are taught in the institution reflect these issues partially. Besides, the institution runs 2(two) units of NSS and 1(one) NCC unit which are beneficial for the holistic developments of the students.

1.3.5. Citing a few examples enumerate on the extent of use of the feedback from stakeholders in enriching the curriculum?

There is an online feedback system in the institution. The important feedback is analyzed and necessary steps are taken by the management in further enriching the curriculum.

1.3.6 How does the institution monitor and evaluate the quality of its enrichment?

There is no such mechanism in the institution.

1.4 Feedback System

1.4.1 What are the contributions of the institution in the design and development of the curriculum prepared by the university?

Members of 'Board of Under Graduate studies' from our college are actively involved in the design and development of the curriculum.

1.4.2 Is there a formal mechanism to obtain feedback from students and stakeholders on curriculum? If 'yes', how is it communicated to the University and made use internally for curriculum enrichment and introducing changes/new programmes?

The mechanism of online feedback system is operating in the college for curriculum enrichment and introduction of new changes in the institution.

1.4.3 How many new programmes/courses were introduced by the institution during the last four years? What was the rationale for introducing new course/programmes?

There is no new programmes/courses introduced by the institution during the last four years.

In the next academic year (2015-2016) the institution will introduce master degree course in Urdu. As this region is dominated by Muslim minority communities, this move has a strong rationale.

Any other relevant information regarding curricular aspects which the college would like to include.

Nothing in particular.

CRITERION II: TEACHING-LEARNING AND EVALUATION

2.1 Student Enrolment and profile

2.1.1 How does the college ensure publicity and transparency in the admission process?

Publicity regarding admission process is published in the college website. The college has been practising online admission since 2012. Installation of advanced software from professional agency makes the admission process hassle free. Admission notice is also displayed in the college notice board and advertisement is also given to daily news papers.

2.1.2 Explain in detail the criteria adopted and process of admission (Ex. (i) merit (ii) common admission test conducted by state agencies and national agencies (iii) combination of merit and entrance test or merit, entrance test and interview (iv) any other) to various programmes of the institution.

Merit list is prepared only on the basis of marks obtained by the candidates in Higher Secondary examination under the guidelines of University of North Bengal.

2.1.3 Give the minimum and maximum percentage of marks for admission at entry level for each of the programmes offered by the college and provide a comparison with other colleges of the affiliating university within the city/district.

College strictly follows the rules and guidelines of North Bengal University relating to admission. Minimum marks for admission to honours course is rigidly followed by the college as well as the university authority at the time of registration.

2.1.4 Is there a mechanism in the institution to review the admission process and student profiles annually? If 'yes' what is the outcome of such an effort and how has it contributed to the improvement of the process?

Admission process in the institution is coordinated by Admission Committee formed by the Teachers' Council every year. The Teachers' Council itself reviews the process of admission from time to time.

2.1.5 Reflecting on the strategies adopted to increase/improve access for following categories of students, enumerate on how the admission policy of the institution and its student profiles demonstrate/reflect the National commitment to diversity and inclusion.

- *SC/ST
- *OBC
- *Women
- *Differently abled
- *Economically weaker sections
- *Minority community
- *any other

As the region is dominated by the students coming from SC/ST and muslim minority community, so the institution remains careful whether these communities have sufficient representation among students. Government rules regarding the reservation of the SC, ST and OBC's are strictly followed by the institution.

Reservation benefit to the students belonging to differently abled catagories are provided by the college as per Government rules.

2.1.6 Provide the following details for various programmes offered by the institution during the last four years and comment on the trends. i.e. reasons for increase/decrease and actions initiated for improvement.

| Programmes | Academic year | Number of applications | Number of students admitted | Demand Ratio |
|--------------------------------|---------------|------------------------|-----------------------------|--------------|
| B.A., B.Sc.,B.com (Hons) | 2011-2012 | 1095 | 475 | 2.30 : 1 |
| B.A., B.Sc.,B.com (Hons) | 2012-2013 | 1281 | 513 | 2.49 : 1 |
| B.A., B.Sc.,B.com (Hons) | 2013-2014 | 1540 | 480 | 3.20:1 |
| B.A., B.Sc.,B.com (Hons) | 2014-2015 | 1233 | 482 | 2.55:1 |

Reduction in the number of applicants in academic year 2014-2015 is probably due to starting of academic programmes by a new UG degree college in Islampur sub-division.

2.2 Catering diverse needs of students

2.2.1 How does the institution cater to the needs of differently abled students and ensure adherence to government policies in this regard?

The institution strictly follows the reservation policy (2012) relating to admission framed by the government for differently abled persons. College also provide necessary economic help so that no differently abled students are denied admission due to economic poverty or any other reasons. There are two ramps with railings in the college for physically disabled students.

2.2.2 Does the institution assess the students' needs in terms of knowledge and skills before the commencement of the programme? If 'yes', give details on the process.

The college has no such provision for assessing knowledge and skills before the commencement of the programme.

2.2.3 What are the strategies adopted by the institution to bridge the knowledge gap of the enrolled students to enable them to cope with the programme of their choice? (Bridge/Remedial/Add on/ Enrichment courses, etc.)

The college had started remedial course for backward community students but unfortunately after certain period of time it was discontinued. The institution is trying to introduce it again in near future in order to try to bridge the knowledge gap of the enrolled students.

2.2.4 How does the college sensitize its staff and students on issues such as gender, inclusion, environment etc.?

The institution is yet to develop such mechanism.

2.2.5 How does the institution identify and respond to special education/learning needs of advanced learners?

Advance learners are encouraged to take help from teachers individually when they are in need. Although we have no specific mechanism in the institution as yet.

2.2.6 How does the institute collect, analyse and use the data and information on the academic performance (through the programme duration) of the students at risk of drop out (students from the disadvantaged sections of society, physically challenged, slow learners, economically weaker sections etc.)

No such specific mechanism has been developed by the institution.

2.3 Teaching- Learning Process

2.3.1 How does the college plan and organize the teaching, learning and evaluation schedules?(academic calendar, teaching plan, evaluation blue print, etc)

An academic calendar mentioning the proposed dates and periods of major events such as commencement of classes, students' union election, annual test examination, annual sports and cultural festivals is prepared and distributed among students.

2.3.2 How does IQAC contribute to improve the teaching-learning process?

IQAC meeting is held from time to time where suggestions are sought regarding the improvement of teaching learning process from the honourable members of the IQAC which are to be followed for improvement of the situation. Sometimes it is found that some important suggestions also come from members who are not attached to formal education system.

2.3.3 How is learning made more student-centric? Give details on the support structures and systems available for teachers to develop skills like interactive learning, collaborative learning and independent learning among the students?

Students constitute centre of gravity of any academic institution. Ideal knowledge situation, among other things, is constituted by interactive and dialogical atmosphere. In this situation students might contribute a lot in the process of learning. Students in this institution are asked to feel free to raise any sort of questions without considering the weight concerned.

2.3.4 How does the institution nurture critical thinking, creativity and scientific temper among the students to transform them into life-long learners and innovators?

Critical thinking is nurtured through interactive teaching learning situation and also through question answer method. Organisation of seminars also help a lot in this regard. Scientific temper and creativity are developed through scientific models/projects making, poster presentation etc.

2.3.5 What are the technologies and facilities available and used by the faculty for effective teaching? Eg: Virtual laboratories, e-learning-resources from National Programme on Technology Enhanced Learning (NPTEL) and National Mission on Education through Information and Communication Technology (NME-ICT) open educational resources, mobile education, etc.

College teachers and students can access e-books and e-journals through 'Inflibnet' facility. All teachers have been supplied Laptops to access information from even when they are at home or elsewhere. Audio visual method of learning are also used for effective teaching. Wi-Fi facilities are available in the college campus.

2.3.6 How are the students and faculty exposed to advanced level of knowledge and skills (blended learning, expert lectures, seminars, workshops etc.)?

Academic institutions and Research organisations organise seminars, symposium, workshops, refreshers courses and orientation programmes etc. from time to time. Teachers are encouraged to participate in those events to keep themselves updated in their own discipline and beyond.

2.3.7 Detail (process and the number of students/benefitted) on the academic, personal and psycho-social support and guidance services (professional counselling/mentoring/academic advice) provided to students?

A functional placement cell is working for career guidance and placement for students.

2.3.8 Provide details of innovative teaching approaches/methods adopted by the faculty during the last four years? What are the efforts made by the institution to encourage the faculty to adopt new and innovative approaches and the impact of such innovative practices on student learning?

Teachers of this college has already introduced audio-visual method of teaching for students.

2.3.9. How are library resources used to augment the teaching-learning process?

The institution has a well-stocked library. A good number of books in each subject in the library are available and can be accessed by the teachers and the students to enrich themselves.

2.3.10. Does the institution face any challenges in completing the curriculum within the planned time frame and calendar? If ‘yes’, elaborate on the challenges encountered and the institutional approaches to overcome these.

The institution faces no such big challenges in completing the curriculum within the given time frame.

2.3.11. How does the institute monitor and evaluate the quality of teaching learning?

The college has online feedback system which helps in monitoring and evaluating different aspects of the institution.

Any other relevant information regarding curricular aspects which the college would like to include.

Nothing in particular.

2.4 Teacher Quality

2.4.1 Provide the following details and elaborate on the strategies adopted by the college in planning and management (recruitment and retention) of its human resource (qualified and competent teachers) to meet the changing requirements of the curriculum.

| Highest qualification | Professor/Principal | | Associate Professor | | Assistant Professor | | Total |
|--|---------------------|--------|---------------------|--------|---------------------|--------|-------|
| | Male | Female | Male | Female | Male | Female | |
| Permanent teachers | | | | | | | |
| D.Sc./D.Litt. | 0 | 0 | 0 | 0 | 0 | 0 | 0 |
| Ph.D. | 1 | 0 | 1 | 0 | 4 | 1 | 7 |
| M.Phil. | 0 | 0 | 1 | 0 | 2 | 1 | 4 |
| PG | 0 | 0 | 2 | 0 | 3 | 1 | 16 |
| Temporary teachers (Management Approved) | | | | | | | |
| Ph.D. | 0 | 0 | 0 | 0 | 0 | 0 | 0 |
| M.Phil. | 0 | 0 | 0 | 0 | 0 | 0 | 0 |
| PG | 0 | 0 | 0 | 0 | 4 | 2 | 6 |
| Part-time teachers (Government Approved) | | | | | | | |
| Ph.D. | 0 | 0 | 0 | 0 | 0 | 0 | 0 |
| M.Phil. | 0 | 0 | 0 | 0 | 2 | 0 | 2 |
| PG | 0 | 0 | 0 | 0 | 5 | 3 | 8 |

2.4.2 How does the institution cope with the growing demand/scarcity of qualified senior faculty to teach new programmes/modern areas(emerging areas) of study being introduced (Biotechnology, IT, Bioinformatics etc.)? Provide details on the efforts made by the institution in this direction and the outcome during the last three years.

There is no such new programme introduced during the last three years.

2.4.3 Providing details on staff development programmes during the last four years elaborate on the strategies adopted by the institution in enhancing the institution in enhancing the teacher quality.

a) Nomination to staff development programmes

| Academic Staff Development Programmes | Number of faculty nominated |
|--|------------------------------------|
| Refresher courses | 14 |
| HRD programmes | NIL |
| Orientation Programmes | 11 |
| Staff training conducted by the University | NIL |
| Summer/winter schools, workshops, etc. | 05 |

b) Faculty training programmes organized by the institution to empower and enable the use of various tools and technology for improved teaching-learning.

No such faculty training programme has been organized by the institution.

***Teaching learning methods/approaches**

***Handling new curriculum**

***Content/knowledge management**

***Selection, development and use of enrichment materials**

***Assessment**

***Cross cutting issues**

***Audio Visual Aids/multimedia: Audio-visual method of teaching is sometimes used by the teachers.**

***OER's**

***Teaching learning material development, selection and use**

c) Percentage of faculty

***Invited as resource persons in Workshops/Seminars/Conferences organized by external professional agencies- Nil**

***Participated in external Workshops/Seminars/Conferences recognized by national/International professional bodies- 95%**

***Presented papers in workshops/Workshops/Seminars/Conferences conducted or recognized by professional agencies.- 70%**

2.4.4 What policies/systems are in place to recharge teachers? (eg: providing research grants, study leave, support for research and academic publications, teaching experience in other national institutions and specialized programmes, industrial engagements etc.)

- Despite a poor student-teacher ratio the institution still grants study leaves to the teachers in deserving cases.
- The science faculty members can also publish their research work in journal brought out by the college authority.

2.4.5 Give the member of faculty who received awards/recognition at the state, national and international level for excellence in teaching during the last four years. Enunciate how the institutional culture and environment contributed to such performance/achievements of the faculty.

Dr. Gour Chandra Ghosh of the Department of History was awarded and Dr. Mrinal Kati Das of the Department of Bengali was nominated, the Shiksha Ratna award by India International Friendship Society in the year 2014 and the best citizen award by International Publishing House.

2.4.6 Has the institution introduced evaluation of teachers by the students and external peers? If 'yes' ; how is the evaluation used for improving the quality of the teaching-learning process?

The institution has online feedback system to help in the all round development of the college.

2.5 Evaluation Process and Reforms

2.5.1 How does the institution ensure that the stakeholders of the institution especially students and faculty are aware of the evaluation processes?

Once the method of evaluation is decided, it is notified to the students and other members.

2.5.2 What are the major evaluation reforms of the university that the institution has adopted and what are the reforms initiated by the institution on its own?

No evaluation reforms have been initiated by the institution and the affiliating university in recent years.

2.5.3 How does the institution ensure effective implementation of the evaluation reforms of the University and those initiated by the institution on its own?

The institution cannot develop any evaluation reforms on its own.

2.5.4 Provide details on the formative and summative assessment approaches adopted to measure student achievement. Cite a few examples which have positively impacted the system.

Annual test examination is held prior to the university examination particularly for Honours subjects and General subjects of Science stream.

2.5.5 Detail on the significant improvements made in ensuring rigor and transparency in the internal assessment during the last four years and weight ages assigned for the overall development of students (weight age for behavioural aspects, independent learning, communication skills etc.

In internal assessment, there is no scope of giving weight-age for overall development of the students.

2.5.6 Does the institution and individual teachers use assessment/evaluation as an indicator for evaluating student performance, achievement of learning objectives and planning? If 'Yes' provide details on the process and cite a few examples.

No such mechanism in this institution is available.

2.5.7 What are the mechanisms for redress of grievances with reference to evaluation both at the college and University level?

A system of reassessment and scrutiny of evaluated answer scripts is available particularly in connection with the university examinations.

2.6 Student Performance and Learning Outcomes

2.6.1. Does the college have clearly stated learning outcomes? If 'yes' give details on how the students and staff are made aware of these?

The college organises seminars, study tour etc. to enhance research aptitude among students. Science fairs are organised by college to develop scientific temper among students.

2.6.4. How does the institution collect and analyse data on student learning outcomes and use it for planning and overcoming barriers of learning?

The college conducts test examination every year. The result of this examination is analysed and necessary measures are taken for overcoming barriers of learning.

2.6.5. How does the institution monitor and ensure the achievement of learning Outcomes?

The IQAC of the college monitor and ensure the achievement of learning outcomes.

2.6.6. What is the graduate attributes specified by the college/affiliating university? How does the college ensure the attainment of these by the students?

A minimum score is specified by the University for this. The college ensures the attainment of graduate attributes specified by affiliating university through academic activities.

CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION

3.1 Promotion of Research

3.1.1 Does the Institution have a recognized research centre/ s of the affiliating University or any other agency/ organization?

The college has no research centre.

3.1.2 Does the Institution have a research committee to monitor and address the issues of research? If so, what is its composition? Mention a few recommendations made by the committee for implementation and their impact.

The college has no research committee.

3.1.3 What are the measures taken by the institution to facilitate smooth progress and implementation of research schemes/ projects?

The college having no research committee of its own, the research work depends upon the personal initiative and incentive of the incumbent concerned. The incumbent on his/her own initiative applies for research projects. The college facilitates the process and the fund when released by the UGC/State Government and any other organisation.

* **Autonomy to the principal investigator** – Yes

* **Timely availability or release of resources-** Yes

* **Adequate infrastructure and human resources** – No/ Nil

* **Time- off, reduced teaching load, special leave etc. to teachers-**

The college is very much liberal in granting study leave to the researchers. The teachers are often granted leave to complete research leading to the Ph. D. degree. The initiative to the teachers for research is always given due respect without any specialism.

* **Support in terms of technology and information needs-**

Teachers can use computer with internet facility, can access e-books, e-journals for smooth progress of research projects.

* **Facilitate timely auditing and submission of utilization certificate to the funding authorities-** Yes

* **Any other-** No/ Nil

3.1.4 What are the efforts made by the institution in developing scientific temper and research culture and aptitude among students?

Science fairs and college level seminar on popular science topic are organized to develop scientific temper among students.

3.1.5 Give details of the faculty involvement in active research (Guiding student research, leading research Projects, engaged in individual/ collaborative research activity etc.)

* Individual/ collaborative research activity: Faculties of different departments are actively engaged in Research works, the description of which is as follows:

1. Dr. Gour Ch. Ghosh, Department of History pursues individual research activity.
2. Sri Kajal Ranjan Biswas, Department of Philosophy, is doing research work in North Bengal University on the topic “The problem of value-neutrality in social sciences: some epistemological and sociological aspects”.
3. Dr. Mrinal Kanti Das, Department of Bengali, completed his Ph. D through F.I.P on the topic “ Mayurakshir Uttar-tirabartie Birbhum Zelar Anchalik Bhasha Samiksha” from the University of North Bengal and is still pursuing individual research activity.
4. Sri Kalipada Sarkar, Department of Chemistry, completed his course work for Ph.D. degree from North Bengal University and is pursuing collaborative research activity.
5. Sri Tapas Adhikary, Department of Bengali is doing research work in North Bengal University on the topic “Bis Shataker Bangla Upanyase Ancholikata” and about to submit his thesis for Ph.D. degree.

6. Dr. Anuradha Sinha, Department of Chemistry and Dr. Dilip Paul, Department of Physics are engaged in individual research activity.
7. Sri Atul Bandyopadhyay, Department of Physics has submitted his Ph. D thesis on the topic “Microstructure and magnetic properties of nanocrystalline 3d/4f metal doped ZnO and rare earth oxide” in the University of Burdwan, Burdwan.
8. Sri Rishi Kr. Sharma, Department of Urdu is pursuing his Ph. D from Visva Bharati (Santiniketan) on the topic “Maasir Urdu Novel ek tajziyati Mutalah (1980-2010)”.
9. Dr. Rishi Raj Kairi and Dr. Kajal Kr. Mandal, Department of Mathematics are engaged in collaborative research activity. Dr. Mondal is also working with Professor Niall Madden, School of Mathematics, Statistics and Applied Mathematics, National University of Ireland, Galway, Ireland and Dr. Naresh M Chadha, Associate Professor, School of Basic Science and Research, Sharda University, Greater Noida in the field of Computational Fluid dynamics (CFD).
10. Smt. Mamata Sengupta, Department of English is doing her Ph. D on the topic “Performing identities: narratives of the self in the plays of Caryl Churchill”.
11. Sri Aravinda Majee, Librarian is engaged in publication related works.
12. Smt. Juhi Routh, Part-time teacher, Department of Philosophy is doing her Ph. D on the topic “Freedom and Facticity : a study with Sartre” in the University of North Bengal.
13. Smt. Archana Singh, Department of Economics is doing course work to register her name for Ph. D. degree from North Bengal University.

3.1.6 Give details of workshops/ training programmes/ sensitization programmes conducted/ organized by the institution with focus on capacity building in terms of research and imbibing research culture among the staff and students. –

No effort has been made in this regard by the institution.

3.1.7 Provide details of prioritized research areas and the expertise available with the institution. --

Teachers are doing individual research works on their own initiative.

3.1.8 Enumerate the efforts of the institution in attracting researchers of eminence to visit the campus and interact with teachers and students. –

At the time of Seminars, Science fairs, awareness programmes of NSS etc. eminent researchers visit our campus and interact with teachers and students. A state level seminar on the topic “SOCIO ECONOMIC TRANSFORMATION OF INDIA IN THE LIGHT OF ONGOING REFORMS: ISSUES, PROBLEMS, PROSPECTS AND CHALLENGES” was organised by the college in the year 2008. The seminar went on for two days. Some eminent persons like Prof. D. K. Chakraborty, Department of Commerce, University of Calcutta, and Prof. Dyutish Chakraborty of Political Science, North Bengal University and many others teachers from different colleges made their gracious presence on the occasion. Fruitful interaction among scholars was arranged. The valuable contribution of scholars is incorporated in the publication done there-after on seminar proceedings. A large number of people with a bent of mind to gather knowledge assembled here.

3.1.9 What percentage of the faculty has utilized sabbatical leave for research activities? How has the provision contributed to improve the quality of research and imbibe research culture on the campus?

No such provision is ever made available to the teachers in the college.

3.1.10 Provide details of the initiatives taken up by the institution in creating awareness/ advocating/ transfer of relative findings of research of the institution and elsewhere to students and community (lab to land).

Nil.

3.2 Resource Mobilization for Research

3.2.1 What percentage of the total budget is earmarked for research? Give details of major heads of expenditure, financial allocation and actual utilization.

Nil

3.2.2 Is there a provision in the institution to provide seed money to the faculty for research? If so, specify the amount disbursed and the percentage of the faculty that has availed the facility in the last four years?

Nil

3.2.3 What are the financial provisions made available to support student research projects?

Nil

3.2.4 How does the various departments/ units/ staff of the institute interact in undertaking inter- disciplinary research? Cite examples of successful endeavours and challenges faced in organizing inter-disciplinary research.

Nil

3.2.5 How does the institution ensure optimal use of various equipment's and research facilities of the institution by its staff and students?

Ours is an institution which is always liberal to extend assistance to the researchers with the help of instruments whatever available. The researchers make optimal use of those instruments. The college does not put up hiccup in the way of the furtherance of research to anybody. For research work the teachers are allowed to take all research facilities which are available in the institution.

3.2.6 Has the institution received any special grants or finances from the industry or other beneficiary agency for developing research facility? If 'yes', give details.

No.

3.2.7 Enumerate the support provided to the faculty in securing research funds from various funding agencies, industry and other organizations. Provide details of ongoing and completed projects and grants received during the last four years.

All sort of support are provided to the teachers by the college in securing research funds from various funding agencies.

No such grant is received for research projects during the last four years.

3.3 Research facilities

3.3.1 What are the research facilities available to the students and research scholars within the campus?

Following facilities are available for research work within the campus –

1. Computers with scanners, printers and internet.
2. E-books, E-journals
3. Library
4. LCD projectors and Photocopiers
5. Physics, Chemistry, Mathematics and Geography laboratories with moderate equipment
6. Science journal for publication of research works.

3.3.2 What are the institutional strategies for planning, upgrading and creating infrastructural facilities to meet the needs of researchers especially in the new and emerging areas of research?

Nothing in particular.

3.3.3 Has the institution received any special grants or finances from the industry or other beneficiary agencies for developing research facilities? If 'yes', what are the instruments/ facilities created during the last four years?

No such grant is received for developing research facilities.

3.3.4 What are the research facilities made available to the students and research scholars outside the campus/ other research laboratories?

No such facilities are available.

3.3.5 Provide details on the library/ information resource centre or any other facilities available specifically for the researchers.

The college provides following facilities for researchers –

- (i) Internet facility
- (ii) Computers with scanners, printers and latest soft-wares.
- (iii) E-books and E-journals.
- (iv) Books and journals in the library.
- (v) Moderately equipped laboratories.
- (vi) Publication of research works through science journals published by the college authority.

3.3.6 What are the collaborative research facilities developed/ created by the research institutes in the college. (e. g. laboratories, library, instruments, computers, new technology etc.) ?

No such facilities have been created by any research institute in the college.

3.4 Research Publications and Awards

3.4.1 Highlight the major research achievements of the staff and students in terms of

***Patents obtained and filed (process and product): Nil**

***Original research contributing to product improvement**

***Research studies or surveys benefitting the community or improving the services:**

Some studies or survey have been carried out benefitting the communities.

***Research inputs contributing to new initiatives and social development:**

Some research articles have been published in national and international journals with good impact factors and some new initiative have been employed in research works. The articles may help directly or indirectly in social development.

3.4.2 Does the Institute publish or partner in publication of research journal(s)? If ‘yes’, indicate the composition of the editorial board, publication policies and whether such publication is listed in any international database?

The college authority has brought out a journal entitled “Research Journal of Pure Science” with ISSN: 2348-5361 which is fraught with valuable articles on research areas of science and technology. The contribution from the researchers of different universities and colleges enriched the journal for different issues so far. The Board of Advisers is composed of Dr. U. Bandyopadhyay, Principal, Islampur College; Dr. A. K. Rath, Department of Physics, N.C.L, Pune; Dr. B. C. Paul, Department of Physics, North Bengal University; Dr. M. N. Roy, Department of Chemistry, North Bengal University; Dr. S. De Sarkar, Department of Mathematics, North Bengal University, Dr. P.A.L. Narayana, IIT, Hyderabad; Dr. C. N. Ramreddy, NIT,

Warrangal; Dr. P. Choudhury, Associate Professor (Retd.) Siliguri College with the editor in chief Kalipada Sarkar, Department of Chemistry, Islampur College and Associate editor Dr. Rishi Raj Kairi, Department of Mathematics, Islampur College. Tapas Adhikary, Assistant Professor in Bengali has also brought out a journal on his own auspicious entitled “Shruti” which is enriched with valuable articles from researchers of different universities and colleges.

3.4.3 Give details of publications by the faculty and students:

Student Publications: Students have no publication on research works.

Faculty Publications: Summary of faculty publications are given below-

| Name of Faculty | Department | Number of Publications |
|-------------------------------------|-------------------|---|
| Dr. U. Bandyopadhyay (Principal) | Political Science | Chapter in book: 1 |
| Dr. G.C. Ghosh | History | Article in journals: 29 |

| Prof. Bidyut Sarkar | English | Nil |
| Smt. Mamata Sengupta | English | Article in journals: 4 Chapter in Books: 1 |
| Dr. Kajal Kumar Mondal | Mathematics | Article in journals: 6 Book:1 Chapter in Books:4 |

(Details are given in the evaluative reports of the departments.)

3.4.4 Provide details (if any) of

* **research awards received by the faculty.** – Nil.

* **recognition received by the faculty from reputed professional bodies and agencies, nationally and internationally.**

Dr. Gour Chandra Ghosh, Department of History was awarded for the “Sikhha Ratna Award” by India International Friendship Society. He was also chosen as the Best Citizens of India, by International Publishing House in 2014. Dr. Mrinal Kanti Das, Department of Bengali was nominated for the same award and he was chosen as the Best Citizens of India, by International Publishing House in 2014.

* **incentives given to faculty for receiving state, national and international recognitions for research contribution.** - Nil.

3.5 Consultancy

3.5.1 Give details of the systems and strategies for establishing institute-industry interface?

At present there is no such strategy. The institution has got some resourceful persons and they do have the ability to interact fruitfully when called for.

3.5.2 What is the stated policy of the institution to promote consultancy? How is the available expertise advocated and publicized?

Nothing in particular.

3.5.3 How does the institution encourage the staff to utilize their expertise and available facilities for consultancy services?

By selecting and sending names of the available faculties of Government and non-government organisations on demand for consultancy services.

3.5.4 List the broad areas and major consultancy services provided by the institution and the revenue generated during the last four years.

Nil

3.5.5 What is the policy of the institution in sharing the income generated through consultancy (staff involved: Institution) and its use for institutional development?

Not formalised yet.

3.6 Institutional Social Responsibility (ISR) and Extension Activities

3.6.1 How does the institution promote institution-neighbourhood-community network and student engagement, contributing to good citizenship, service orientation and holistic development of students?

The institution meets this demand by carrying out successful NSS and NCC units in the college, which actively take part in different community related programmes, such as

- 1) Conducting special camps in underdeveloped rural areas like AIDS awareness camp, Legal awareness camp etc.
- 2) Organising literacy camp for adults in under-develop social areas.

3.6.2 What is the Institutional mechanism to track students' involvement in various social movements / activities which promote citizenship roles?

No eminent personality has visited the institution during the last four years.

3.7.5 How many of the linkages/collaborations have actually resulted in formal MoUs and agreements? List out the activities and beneficiaries and cite examples (if any) of the established linkages that enhanced and/or facilitated –

- a) Curriculum development/enrichment
- b) Internship/ On-the-job training
- c) Summer placement
- d) Faculty exchange and professional development
- e) Research
- f) Consultancy
- g) Extension
- h) Publication

- i) Student Placement
- j) Twinning programmes
- k) Introduction of new courses
- l) Student exchange
- m) Any other

Nil.

3.7.6 Detail on the systemic efforts of the institution in planning, establishing and implementing the initiatives of the linkages/collaborations. Any other relevant information regarding Research, Consultancy and Extension which the college would like to include.

Nothing in particular

CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES

4.1 Physical Facilities

4.1.1 What is the policy of the Institution for creation and enhancement of infrastructure that facilitate effective teaching and learning?

The college utilises its own funds receives various grants from local MP, MLA, Zilla Parishad, Higher Education Department Govt. of West Bengal etc. to meet the crisis of classrooms and teaching learning material.

4.1.2 Detail the facilities available for

Curricular and co-curricular activities:

Classrooms:

At present the college has 15 class rooms.

Technology enabled learning spaces:

We have a smart class room. Few computers with internet connections are used by the students in Library Reading Room. Mathematics department has a computer laboratory with internet facility.

Seminar halls:

We have a seminar hall cum Auditorium.

Tutorial spaces:

The class rooms are used for tutorial spaces.

Laboratories:

4(four) Physics Labs, 2(two) Chemistry Labs and 1(one) Geography lab are available in the college.

Botanical garden:

The college has no Botanical Garden.

Animal house:

The institution has no Animal House.

Specialized facilities and equipment for teaching, learning and research:

Following specialized facilities and equipment are available for teaching, learning and research purpose-

| Any other (specify) | | | | | | | | |

4.2.4 Provide details on the ICT and other tools deployed to provide maximum access to the library collection?

* **OPAC:** Under Process.

* **Electronic Resource Management package for e-journals:** Inlibnet

* **Federated searching tools to search articles in multiple databases:** Nil

* **Library Website:** Yes, linked with college website

* **In-house/remote access to e-publications:** Yes

* **Library automation:** Under Process

* **Total number of computers for public access:** 3(three)

* **Total numbers of printers for public access:** one

* **Internet bandwidth/ speed [2mbps_10 mbps. 1gb (GB)]:** 2mbps

- * **Institutional Repository:** Nil
- * **Content management system for e-learning:** Nil
- * **Participation in Resource sharing networks/consortia (like Inflibnet):**
Yes

4.2.5 Provide details on the following items:

- * **Average number of walk-ins:** Faculty- 10; Students- 109/day
- * **Average number of books issued/returned:** About 76/ day
- * **Ratio of library books to students enrolled:** 1.9:1
- * **Average number of books added during last three years:** 626 books/ year
- * **Average number of login to opac (OPAC):** Nil
- * **Average number of login to e-resources:** 2/day
- * **Average number of e-resources downloaded/printed:**2/day
- * **Number of information literacy trainings organized:** Nil
- * **Details of “weeding out” of books and other materials:** Nil

4.2.6 Give details of the specialized services provided by the library

- * **Manuscripts:** Nil
- * **Reference:** Nil.
- * **Reprography:** One photocopier, one printer, one scanner.
- * **ILL (Inter Library Loan Service):** Nil
- * **Information deployment and notification (Information Deployment and Notification):** Notifications are done on a regular basis.
- * **Download:** Available.
- * **Printing:** Facility is available.

- * **Reading list/ Bibliography compilation:** Under process.
- * **In-house/remote access to e-resources:** Yes
- * **User Orientation and awareness:** No
- * **Assistance in searching Databases:** Yes
- * **INFLIBNET/IUC facilities:** Yes

4.2.7 Enumerate on the support provided by the Library staff to the students and teachers of the college.

The library staff help in locating the books in the stack and searching database.

4.2.8 What are the special facilities offered by the library to the visually/physically challenged persons? Give details.

Nothing particular.

4.2.9 Does the library get the feedback from its users? If yes, how is it analysed and used for improving the library services. (What strategies are deployed by the Library to collect feedback from users? How is the feedback analysed and used for further improvement of the library services?)

There is a suggestion box kept in the library. Users can drop their suggestion in that box. Library committee analyses these suggestion and takes necessary action.

4.3. IT Infrastructure

4.3.1. Give details on the computing facility available (hardware and software) at the institution.

The college office is fully automated. Similar computer facilities are also there in the library.. There is LAN facility in the office and the library (All the computers have Wi-Fi facility)

- **Number of computers with Configuration (provide actual number with exact configuration of each available system);** There are 28 computers in the college including the Office, Library and Science Departments.

| Sl. No. | No. Of Computers | Configurations (Hardware & Software) |
|---------|------------------|--|
| 01 | 01 pc | 4 th Generation i5 processor, 1TB Hard disk, 4GB RAM, Windows 7 with MS Office 2010, College Software, COSA, Tally and other useful software. |
| 02 | 01 pc | 4 th Generation i3 processor, 1TB Hard disk, 4GB RAM Windows XP with MS Office 2010, College Software, COSA, Tally and other useful software. |
| 03 | 12 pcs | Core(TM)2 Duo processor, 500 GB Hard disk, 4GB RAM Windows 7with MS Office 2010, College Software, COSA, Tally and other useful software. |
| 04 | 14 pcs | Dual Core processor, 500 GB Hard disk, 2GB/1GB RAM Windows 7with MS Office 2007, College Software, and other useful software. |

- **Computer-student ratio:** 1:2 in Mathematics Laboratory.
- **Stand-alone facility:** All.
- **LAN facility:** All computers are connected through Wi-Fi.
- **Licensed software:** Yes
- **Number of nodes/ computers with Internet facility:** All computers have internet facilities.
- **Any other:** Nil.

4.3.2 Detail on the computer and internet facility made available to the faculty and students on the campus and off-campus?

Mathematics, Physics and Chemistry departments have computers with internet facility. Teachers and students of the concerned departments use these computers for academic purposes. Teachers and students can also access also e-journals, e-books and other academic study materials from computers provided at the library. There is no off-campus internet facility in the college.

4.3.3 What are the institutional plans and strategies for deploying and upgrading the IT infrastructure and associated facilities?

The college upgrades IT infrastructure on regular basis with the requirement of teachers and students.

4.3.4 Provide details on the provision made in the annual budget for procurement, up-gradation, deployment and maintenance of the computers and their accessories in the institution (Year wise for last four years)

Fund is allotted as per requirements in this purpose.
Annual budget for computer procurement, upgradation, maintainance:

| Year | Budget in Rupees |
|-----------|------------------|
| 2011-2012 | Rs.150000 |
| 2012-2013 | Rs.100000 |
| 2013-2014 | Rs.400000 |
| 2013-2014 | Rs.150000 |

4.3.5 How does the institution facilitate extensive use of ICT resources including development and use of computer-aided teaching/ learning materials by its staff and students?

e-books and e-journals are used through inflibnet facility

4.3.6 Elaborate giving suitable examples on how the learning activities and technologies deployed (access to on-line teaching - learning resources, independent learning, ICT enabled classrooms/learning spaces etc.) by the institution place the student at the centre of teaching-learning process and render the role of a facilitator for the teacher.

No such sophisticated technological support system exists in the college.

4.3.7 Does the Institution avail of the National Knowledge Network connectivity directly or through the affiliating university? If so, what are the services availed of?

Nil.

4.4 Maintenance of Campus Facilities

4.4.1 How does the institution ensure optimal allocation and utilization of the available financial resources for maintenances and upkeep of the following facilities (Substantiate your statements by providing details of budget allocated during the last four years?)

Budget allotted for the session

| Purpose | 2011-2012 | 2012-2013 | 2013-2014 | 2014-2015 |
|-----------|-----------|-----------|------------|-----------|
| Building | Rs.37700 | Rs.275000 | Rs.300000 | Rs.40000 |
| Furniture | Rs.48000 | Rs.465000 | Rs.1150000 | Rs.800000 |
| Equipment | Rs.25000 | Rs.100000 | Rs.650000 | Rs.100000 |
| Computers | Rs.150000 | Rs.100000 | Rs.400000 | Rs.150000 |

4.4.2 What are the institutional mechanisms for maintenance and upkeep of the infrastructure, facilities and equipment of the college?

The institution makes yearly contract with the concerned company for the maintenance of the equipment of the college.

4.4.3 How and with what frequency does the institute take up calibration and other precision measures for the equipment/instruments?

Whenever required.

4.4.4 What are the major steps taken for location, upkeep and maintenance of sensitive equipment (Voltage fluctuations, constant supply of water etc?)

Sensitive equipment are kept in secured places. One technical staff is responsible for upkeep and maintenance of these instruments. There is no problem regarding constant water supply from overhead tank of the college.

CRITERION VI: GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 Institutional Vision and Leadership

6.1.1 State the vision and mission of the Institution and enumerate on how the mission statement defines the institution's distinctive characteristics in terms of addressing the needs of the society, the students it seeks to serve, institution's traditions and value orientations, vision for the future, etc?

Vision-

To enable the college to function as a torch bearer among the poor and under privileged masses by providing quality higher education and leadership quality.

Mission-

- ❄ To create dedicated brave soldiers for nation building.
- ❄ To alleviate backward region status of the Islampur Sub-Division.
- ❄ To build quality infrastructure of this college to cope with increasing rush of the students.
- ❄ To start job oriented courses considering the demand of job markets.
- ❄ To work for harmony among communities considering the demographic diversity of the region.
- ❄ To generate resources by utilizing movable and immovable college properties.

Keeping these missions in consideration the college is going to introduce Master degree course in Urdu. College has already approached different agencies for allocation of funds for construction of building and introduction of different job oriented courses. A special study centre of Indira Gandhi National Open University is running successfully and meeting the demands of the students not only coming from Islampur sub-division but also from neighbouring Kishanganj District, Bihar too.

The college set in motion the work of diffusion of learning with a definite mission. The area being poverty stricken and extremely underdeveloped, the people are often to be victims of outrages, oppression and various types of exploitation as corollary to the absence of higher education for long time. The thought of the people were often confounded. They were unable to stand firmly in the teeth of oppression by social Lords. Islampur College has kindled the light of illumination of thought and conscience of people has awakened. They have now got the ability to face the challenges of time. The area densely peopled by Muslim Minority Community, has got an obvious necessity for the introduction of higher education in Urdu. Ours is a college that has taken the bold step for the inauguration of Urdu in Post-Graduation level. Islampur College happens to be the pioneer to the people of the area plunged in darkness for long time. Introduction of the higher education through IGNOU has initiated a new horizon in the field of the spreading of education. Islampur College has set up a milestone in respect of playing the part of pioneer in diffusion of learning. In the people live of fast growing national life all these are nothing but tips on the iceberg. Petty done and vast done. In the following days the incomplete works are to be done so that Islampur College may in the true sense of the term, assume the façade of the torch bearer to the underprivileged sections of the society.

- Important notices to students are served through SMS by college authority
- College campus is WI-FI enabled

7.3 Best Practices

7.3.1 Elaborate on any two best practices as per the annexed format (see page...) which have contributed to the achievement of the institutional Objectives and/or contributed to the Quality improvement of the core activities of the college.

1.Title of the practice

The goal of the program is the generation of awareness about the squalid feature of the deadly disease of AIDS and the means to combat the disease properly so that the area may be free from the curse of the threatening disease.

2.Goal

The enclave like geographical location of the region bordered by the countries like Nepal, Bangladesh and Bhutan is very much prone to catching contagion of dreadful disease of AIDS. The region being economically deplorable with lack of avenues of employment is forced to send its sons to different parts of the country for livelihood. The intellectual backwardness of these persons often drives them to unabashed and discriminate sexual relationship which may lead to the catching contagion of AIDS.

3.The context

Islampur College has taken special initiative to weed out the misconception and unnecessary fear about its spreading from factors which are in reality not the real reasons of its spreading\). The misconception about its spreading may lead to the damaging of social relationship. It may embitter the mutual connection. At times misconceptions or false notions about its spreading may lead to fracas or mutual feud. Healthy social relationship is damaged at that.

4.The Practice

The NSS unit has taken up the mission to wipe out the false notion among the people which is likely to spread in the event of the absence of consciousness, it has highlighted the salient factor that cause the spreading of disease in the real sense of the term.

5.Evidence of Success

The steps taken by the NSS unit by initiating different popular programs have attracted many persons to listen to the advice and remain away from the social vices. Though many people are forced to go to the different parts of the country for professional reasons, they have become conscious about the threatening character of the disease and the factors that cause its spreading. As a result, the numbers of the victims of the disease are going down rapidly.

6.Problems Encountered and Resource Required

Financial crunch and the want of human resources are the major factors that have stood in the way of the successful prosecution of the mission. Large number of persons is required for the diffusion of knowledge about the deadly features of AIDS and generating consciousness. This is the major hiccup for the wholesale success of the mission.

7. Notes (optional)

The work generation of awareness among the people of the area about AIDS and its squalid feature, the manner of its spreading and the way to retrieve the situation in the locality by the NSS activists of the college happens to be a land-marking achievement of the college. The enclave like geographical situation of the area bordered by Nepal, Bangladesh and Bhutan is very much prone to catching contagion of dreadful disease of AIDS. The region being economically deplorable with no avenues of employment is forced to send its sons on the soil to different parts of the country for having means of livelihood. They being intellectually backward are inclined to unabashed and indiscriminate sex. As a fall out of it the region has got the possibility of the spreading dreadful disease. Islampur College has taken up the mission to create consciousness among the masses about the deadly feature of the disease and the way to remain away from the possibility catching contagion. Islampur College has taken a drive to wipe out unnecessary fear also about its spreading because unnecessary fear about its spreading may damage the social relation. Islampur College is keen to develop consciousness in the true sense of term disgorging unnecessary fear. In that respect the college has set up a milestone in the arena of awareness.

Students from minority communities gets scholarships from minority development dept., Govt. of W.B. College provides financial aid to economically backward students.

32. Details on student enrichment programmes (special lectures/ workshops/ seminar) with external experts- Sometimes special lectures are organized for the students.

33. Teaching methods adopted to improve student learning- Interactive method of teaching through lectures and practical and Audio-Visual method of teaching are adopted to improve student learning.

34. Participation in Institutional Social Responsibility (ISR) and extension activities- Students and teachers participate in programmes organised by NSS and NCC units of the college.

35. SWOC analysis of the department and Future plans-

a) Strength- Dedicated and sincere teachers, teachers are regular, students are cooperative, teachers are engaged in research activities.

b) Weakness- No Departmental Library, lack of space for research activities.

c) Opportunity- in teaching profession and science based organization, in higher studies, scope to serve in Govt. and non-Govt. organizations, scope to appear in various competitive examinations.

d) Challenges- Socio-economic conditions of students which become a challenge to complete the course, all round development of students, to develop better teaching-learning methods, to motivate students in innovative work, to prepare students for higher studies and for the job market.

e) Future Plans- To built-up a well-equipped Computer Laboratory, provide Departmental Library and to start M.Sc. in Mathematics.
