

A One-day International Inter-Disciplinary Webinar

On

Decoding COVID-19 and Allied Issues

1st September, 2020 (11:00am)

Organized By

Islampur College

Concept Note

2020 is the year of catastrophe. COVID-19 has spread throughout the length and breadth of the globe at an astonishing speed. The life and activities have completely come to a standstill. The people are almost immured in the four walls of room. Everybody is frightened due to infectious and contagious diseases caused by recently discovered COVID-19 Virus. A lot of lives have succumbed to disease as a corollary of the spread of COVID-19. The socio-economic milieus have been badly affected. Service delivery system is in changing dimension with the help of internet and social media. Economic activity has completely collapsed. The GDP has been largely affected in almost all the countries of the world. A lot of people have been retrenched from employment in many sectors. It has taken its toll in the pattern of social life. It has largely affected the social values. It has got adverse impact upon fellow feeling. Few are seen standing by the destitute fearing the spread of virus.

Islampur College is going to organize a one day International Webinar on 1st September, 2020 to aware the adverse effect of deadly virus to students, research scholars, intellectuals as well as the participants. It also aims to find out solution from the discussion of different scholastic views leading to the success in the combat of virus. Papers are sought from the scholars on different perspectives pertaining to COVID-19.
